

CASLP Ltd and Countrywide Assured plc

A correction to the Supplementary Report by the Independent Expert on the proposed transfer of the business of CASLP Ltd to Countrywide Assured plc by means of a Scheme under Part VII of the Financial Services and Markets Act 2000

I was made aware on 18 December 2023, after the publication of my Supplementary Report on 14 December 2023, that some policyholder communication packs may not have been received until 25 August 2023, and not by 18 August 2023 as was stated in paragraph 3.14 of my Supplementary Report, that having been my understanding.

This correction does not change the conclusion I reached in paragraph 3.14, namely that, as the time available for policyholders to consider the information and raise any objections was well in excess of the usual regulatory expectation of at least six to eight weeks, I am satisfied that policyholders have had sufficient time to consider the Scheme and to raise any objections they might have.
