## 2 **NO OTHER REGULATIONS TO APPLY**

No model articles or regulations in any statute or in any statutory instrument or other subordinate legislation concerning companies shall apply to the Company.

## **CAPITAL**

## 3 **MEMBERS' LIMITED LIABILITY**

The liability of the Company's members is limited to the amount, if any, unpaid on the Company's shares held by them.

## 4 **ALLOTMENT**

- 4.1 Subject to the statutes and these Articles, any new shares shall be at the disposal of the Board, who may offer, allot, grant options over or otherwise dispose of them to such persons and on such terms as it may decide (including terms relating to the renunciation of any allotment).

- 4.2 Subject to the statutes and without prejudice to any rights attached to any shares, any share may be issued with such rights or restrictions as the Company may by ordinary resolution determine (or, if the Company has not so determined, as the Board may determine).
- 4.3 Subject to the statutes, any share may be issued which is to be redeemed, or is to be liable to be redeemed at the option of the Company or the holder, on such terms, conditions and in such manner as the Directors may determine.

## **5 COMMISSIONS AND BROKERAGE**

The Company may exercise all powers conferred by the statutes of paying commissions in relation to a subscription for shares or other allotment. Subject to the statutes, such commissions may be satisfied in cash or by the allotment of fully or partly paid shares or partly in one way and partly in the other. The Company may also pay such brokerage in relation to a subscription for shares as may be lawful.

## **6 TRUSTS NOT RECOGNISED**

Except as required by law, no person shall be recognised by the Company as holding any share on any trust and (except as otherwise provided by these Articles or by law) the Company shall not be bound by or recognise any interest in any share except an absolute right of the holder to share in its entirety (even if the Company has notice of such interest).

## **VARIATION OF CLASS RIGHTS**

## **7 SANCTION**

- 7.1 If the share capital of the Company is divided into shares of different classes, any of the rights attached to any class of shares (notwithstanding that the Company may be or be about to be in liquidation) may (unless the rights attached to the shares of the class otherwise provide) be varied or abrogated in any manner, either with the consent in writing of the holders of not less than three-quarters in nominal value of the issued shares of the class or with the sanction of a special resolution passed at a separate meeting of the holders of shares of the class.
- 7.2 Subject to the terms of issue of or rights attached to any shares, the rights or privileges attached to any class of shares shall be deemed not to be varied or abrogated by:
- 7.2.1 the creation or issue of any new shares ranking *pari passu* in all respects (save as to the date from which such new shares shall rank for dividend) with or subsequent to those already issued;

- 7.2.2 the reduction of the capital paid up on such shares or by the purchase or redemption by the Company of any of its own shares in accordance with the statutes; or
- 7.2.3 the Board resolving that a class of shares is to become or is to cease to be, or the Operator permitting such class of shares to become or to cease to be, a participating security.

## **8 CLASS MEETINGS**

- 8.1 The Board may call a separate general meeting of the holders of the shares of any class at any time and for any purpose as it thinks fit and whether or not the business to be transacted involves a variation or abrogation of any rights attached to such class of shares. The provisions of these Articles as to general meetings shall also apply (so far as applicable) to each such meeting.
- 8.2 A separate meeting for the holders of a class of shares shall be convened and conducted as nearly as possible in the same way as a general meeting, except that:
  - 8.2.1 no member, other than a Director, shall be entitled to notice of it or to attend it unless they are a holder of shares of that class;
  - 8.2.2 no vote may be given except in respect of a share of that class;
  - 8.2.3 the quorum at the meeting other than an adjourned meeting shall be not less than two persons entitled to vote at the meeting present in person or by proxy and holding at least one-third in nominal value of the issued shares of that class and at an adjourned meeting the quorum shall be one person entitled to vote at the meeting present in person or by proxy and holding shares of that class; and
  - 8.2.4 a poll may be demanded by a member present in person or by proxy and entitled to vote at the meeting and on a poll each member shall have one vote for every share of that class of which they are the holder.
- 8.3 For the purpose of these Articles, a general meeting at which no holder of a share other than an ordinary share may, in their capacity as a member, attend or vote shall also constitute a separate general meeting of the holders of the ordinary shares.

## **ALTERATION OF SHARE CAPITAL**

## **9 ALTERATION OF SHARE CAPITAL**

The Company may:

- 9.1 alter its share capital in any way permitted by the statutes; and

- 9.2 confer any preference or other advantage on one or more of the shares resulting from any division or sub-division of its share capital as compared with the others and make any such share subject to any restriction as compared with the others.

## 10 **FRACTIONS**

- 10.1 If, as the result of a consolidation and division or a sub-division of shares, fractions of shares become attributable to members, the Board may on behalf of the members deal with the fractions as it thinks fit, including but not limited to the ways prescribed in this Article.

- 10.2 The Board may sell shares representing the fractions, through a member of the London Stock Exchange or other appropriate intermediary acting (in any case) on a “best execution” (or equivalent) basis or in such other manner (whether or not through an intermediary) that provides a price which the Board considers to be reasonable in the circumstances, to any person (including, subject to the statutes, the Company) and distribute the net proceeds of sale in due proportion amongst the persons to whom such fractions are attributable (except that if the amount due to a person is less than £3.00, or such other sum as the Board may decide, the Company may retain such sum for its own benefit). To give effect to such sale the Board may:

10.2.1 in the case of certificated shares, authorise a person to execute an instrument of transfer of shares to the purchaser or as the purchaser may direct; and

10.2.2 in the case of uncertificated shares, exercise any power conferred on it by paragraph 13 of the Articles headed “**Uncertificated shares**” to effect a transfer of the shares.

- 10.3 The purchaser will not be bound to see to the application of the purchase monies in respect of any such sale. The title of the transferee to the shares will not be affected by any irregularity in or invalidity of the proceedings connected with the sale or transfer. Any instrument or exercise referred to at paragraph 10.2 of this Article shall be effective as if it had been executed or exercised by the holder of the shares to which it relates.

- 10.4 In relation to the fractions the Board may issue, subject to the statutes, to a member credited as fully paid by way of capitalisation the minimum number of shares required to round up their holding of shares to a number which, following a consolidation and division or a sub-division, leaves a whole number of shares (such issue being deemed to have been effected immediately before the consolidation or the sub-division, as the case may be). The amount required to pay up those shares may be capitalised as the Board thinks fit out of amounts standing to the credit of any reserve or fund of the Company (including any share premium account, capital redemption reserve and profit and loss account), whether or not available for distribution, and applied in paying up in full the appropriate number of shares.

## **CERTIFICATED SHARES**

### **11 RIGHT TO CERTIFICATES**

- 11.1 Subject to the statutes and these Articles, every person (except any person in respect of whom the Company is not required by the statutes to complete and have ready for delivery a share certificate), on becoming the holder of a certificated share is entitled without charge to one certificate for all the certificated shares of a class registered in their name or, in the case of certificated shares of more than one class being registered in their name, to a separate certificate for each class of shares, unless the terms of issue of the shares provide otherwise.
- 11.2 Where a member (other than a person in respect of whom the Company is not required by the statutes to complete and have ready for delivery a share certificate) transfers part of their shares comprised in a certificate they shall be entitled without charge to one certificate for the balance of certificated shares retained by them.
- 11.3 The Company is not bound to issue more than one certificate for certificated shares held jointly by two or more persons. Delivery of a certificate to one joint holder shall be sufficient delivery to all joint holders.
- 11.4 A certificate shall specify the number and class and the distinguishing numbers (if any) of the shares in respect of which it is issued and the amount paid up on the shares. It shall be issued under the Seal, which may be affixed to or printed on it, or in such other manner as the Board may approve.

### **12 REPLACEMENT CERTIFICATES**

- 12.1 If any certificate is worn-out, defaced, lost or destroyed, the Company may cancel it and issue a replacement certificate subject to such terms as the Board may decide as to evidence and indemnity (with or without security) and to payment of any exceptional out-of-pocket expenses of the Company in investigating such evidence and preparing such indemnity or such security but otherwise free of charge, and (if the certificate is worn-out or defaced) on delivery up of the old certificate.
- 12.2 In the case of shares held jointly by several members, any request for a replacement certificate under Article 12.1 may be made by any one of the members of such shares.

## **UNCERTIFICATED SHARES**

### **13 UNCERTIFICATED SHARES**

- 13.1 The Board may resolve that a class of shares is to become, or is to cease to be, a participating security.

- 13.2 Shares of a class shall not be treated as forming a separate class from other shares of the same class as a consequence of such shares being held in certificated or uncertificated form or of any provision in these Articles or the Uncertificated Securities Regulations applying only to certificated shares or to uncertificated shares.
- 13.3 Any share of a class which is a participating security may be changed from an uncertificated share to a certificated share and from a certificated share to an uncertificated share in accordance with the Uncertificated Securities Regulations.
- 13.4 These Articles apply to uncertificated shares of a class which is a participating security only to the extent that these Articles are not inconsistent with the holding of such shares in uncertificated form, with the transfer of title to such shares by means of the Uncertificated System or with the Uncertificated Securities Regulations.
- 13.5 The Board may lay down regulations not included in these Articles which (in addition to or in substitution for any provisions in these Articles ):
- 13.5.1 apply to the issue, holding or transfer of uncertificated shares;
- 13.5.2 set out (where appropriate) the procedures for conversion and/or redemption of uncertificated shares; and/or
- 13.5.3 the Board considers necessary or appropriate to ensure that these Articles are consistent with the Uncertificated Securities Regulations and/or the Operator's rules and practices.
- 13.6 Such regulations will apply instead of any relevant provisions in these Articles which relate to certificates and the transfer, conversion and redemption of shares or which are inconsistent with the Uncertificated Securities Regulations, in all cases to the extent (if any) stated in such regulations. If the Board makes any such regulations, paragraph 13.4 of this Article will (for the avoidance of doubt) continue to apply to these Articles, when read in conjunction with those regulations.
- 13.7 Any instruction given by means of an Uncertificated System as referred to in these Articles shall be a dematerialised instruction given in accordance with the Uncertificated Securities Regulations, the facilities and requirements of the Uncertificated System and the Operator's rules and practices.
- 13.8 For any purpose under these Articles, the Company may treat a member's holding of uncertificated shares and of certificated shares of the same class as if they were separate holdings, unless the Board otherwise decides.
- 13.9 Where the Company is entitled under the statutes, the Operator's rules and practices, these Articles or otherwise to dispose of, forfeit, enforce a lien over or sell or otherwise procure the sale of any shares of a class which is a participating security which are held in uncertificated form, the Board may take such steps (subject to the Uncertificated

Securities Regulations and to such rules and practices) as may be required or appropriate, by instruction by means of the Uncertificated System or otherwise, to effect such disposal, forfeiture, enforcement or sale including by:

- 13.9.1 requesting or requiring the deletion of any computer-based entries in the Uncertificated System relating to the holding of such shares in uncertificated form;
- 13.9.2 altering such computer-based entries so as to divest the holder of such shares of the power to transfer such shares other than to a person selected or approved by the Company for the purpose of such transfer;
- 13.9.3 requiring any holder of such shares, by notice to them, to change their holding of such uncertificated shares into certificated form within *any* specified period;
- 13.9.4 requiring any holder of such shares to take such steps as may be necessary to sell or transfer such shares as directed by the Company;
- 13.9.5 otherwise rectify or change the Register of Members in respect of any such shares in such manner as the Board considers appropriate (including by entering the name of a transferee into the Register of Members as the next holder of such shares); and/or
- 13.9.6 appointing any person to take any steps in the name of any holder of such shares as may be required to change such shares from uncertificated form to certificated form and/or to effect the transfer of such shares (and such steps shall be effective as if they had been taken by such holder).

## **LIEN ON SHARES**

### **14 COMPANY'S LIEN ON SHARES NOT FULLY PAID**

The Company has a first and paramount lien on each issued share (not being a fully paid share) for all amounts payable to the Company (whether actually or contingently and whether presently payable or not) in respect of such share. The lien applies to all dividends on any such share and to all amounts payable by the Company in respect of such share. The Board may resolve that any share be exempt wholly or in part from this Article.

### **15 ENFORCEMENT OF LIEN BY SALE**

- 15.1 For the purpose of enforcing the Company's lien on any shares, the Board may sell them in such manner as it decides if an amount in respect of which the lien exists is presently payable and is not paid within fourteen (14) days following the giving of a notice to the holder (or any person entitled by transmission to the share) demanding payment of the

amount due within such fourteen day period and stating that if the notice is not complied with the shares may be sold.

15.2 To give effect to such sale the Board may:

15.2.1 in the case of certificated shares, authorise a person to execute an instrument of transfer of shares in the name and on behalf of the holder of, or the person entitled by transmission to, them to the purchaser or as the purchaser may direct; and

15.2.2 in the case of uncertificated shares, exercise any power conferred on it by paragraph 13 of the Article headed “**Uncertificated shares**” to effect a transfer of the shares.

15.3 The purchaser will not be bound to see to the application of the purchase monies in respect of any such sale. The title of the transferee to the shares will not be affected by any irregularity in or invalidity of the proceedings connected with the sale or transfer. Any instrument or exercise referred to at paragraph 15.2 of this Article shall be effective as if it had been executed or exercised by the holder of, or the person entitled by transmission to, the shares to which it relates.

## 16 **APPLICATION OF SALE PROCEEDS**

The net proceeds of any sale of shares subject to the Company’s lien under these Articles (after payment of the costs and expenses of sale) shall be applied in or towards satisfaction of the amount then due to the Company in respect of the shares. Any balance shall be paid to the original holder of, or the person entitled (but for such sale) by transmission to, the shares on (in the case of certificated shares) surrender to the Company for cancellation of the certificate for such shares and (in all cases) subject to the Company having a lien on such balance on the same basis as applied to such shares for any amount not presently payable as existed on such shares before the sale.

## **CALLS**

### 17 **CALLS**

17.1 Subject to the terms on which shares are allotted, the Board may make calls on the members (and any persons entitled by transmission) in respect of any amounts unpaid on their shares (whether in respect of nominal value or premium) and not payable on a date fixed by or in accordance with the allotment terms. Each such member or other person shall pay to the Company the amount called, subject to receiving at least fourteen (14) days’ notice specifying when and where the payment is to be made, as required by such notice.

17.2 A call may be made payable by instalments. A call shall be deemed to have been made when the resolution of the Board authorising it is passed. A call may, before the

Company's receipt of any amount due under it, be revoked or postponed in whole or in part as the Board may decide. A person on whom a call is made will remain liable for calls made on them notwithstanding the subsequent transfer of the shares in respect of which the call was made.

## **18 LIABILITY OF JOINT HOLDERS**

The joint holders of a share shall be jointly and severally liable to pay all calls in respect of it.

## **19 INTEREST**

If the whole of the sum payable in respect of any call is not paid by the day it becomes due and payable, the person from whom it is due shall pay all costs, charges and expenses incurred by the Company by reason of such non-payment, together with interest on the unpaid amount from the day it became due and payable until it is paid at the rate fixed by the terms of the allotment of the share or in the notice of the call or, if no rate is fixed, at such fixed or floating rate, not exceeding the Bank of England base rate by more than five percentage points, as the Board shall determine. The Board may waive payment of such costs, charges, expenses or interest in whole or in part.

## **20 DIFFERENTIATION**

The Board may make arrangements on or before the issue of shares to differentiate between the holders of shares in the amounts and times of payment of calls on their shares.

## **21 PAYMENT IN ADVANCE OF CALLS**

- 21.1 The Board may receive from any member (or any person entitled by transmission) all or any part of the amount uncalled and unpaid on the shares held by them (or to which they are entitled). The liability of each such member or other person on the shares to which such payment relates shall be reduced by such amount. The Company may pay interest on such amount from the time of receipt until the time when such amount would, but for such advance, have become due and payable at such fixed or floating rate not exceeding the Bank of England base rate for any relevant date or period by more than five percentage points as the Board may decide.

No sum paid up on a share in advance of a call shall entitle the holder to any portion of a dividend subsequently declared or paid in respect of any period prior to the date on which such sum would, but for such payment, become due and payable.

## **22 RESTRICTIONS IF CALLS UNPAID**

Unless the Board decides otherwise, no member shall be entitled to receive any dividend or to be present or vote at any meeting or to exercise any right or privilege as a member until they have paid all calls due and payable on every share held by them, whether alone

or jointly with any other person, together with interest and expenses (if any) to the Company.

**23 SUMS DUE ON ALLOTMENT TREATED AS CALLS**

Any sum payable to the Company or at its direction in respect of the allotment of a share on or following its allotment or on any fixed date, whether in respect of the nominal value of the share or by way of premium or as an instalment of a call, shall be deemed to be a call. If such sum is not paid by the required time, these Articles shall apply as if it had become due and payable by virtue of a call.

**FORFEITURE**

**24 FORFEITURE AFTER NOTICE OF UNPAID CALL**

24.1 If a call or an instalment of a call remains unpaid after it has become due and payable, the Board may give to the person from whom it is due not less than fourteen (14) days' notice requiring payment of the amount unpaid together with any interest which may have accrued and any costs, charges and expenses that the Company may have incurred by reason of such non-payment. The notice shall state the place where payment is to be made and that, if the notice is not complied with, the shares in respect of which the call was made will be liable to be forfeited. If the notice is not complied with, any shares in respect of which it was given may, before the payment required by the notice has been made, be forfeited by a resolution of the Board. The forfeiture will include all dividends and other amounts payable in respect of the forfeited shares which have not been paid before the forfeiture.

24.2 The Board may accept the surrender of a share which is liable to be forfeited in accordance with these Articles. All provisions in these Articles which apply to the forfeiture of a share also apply to the surrender of a share.

**25 NOTICE AFTER FORFEITURE**

When a share has been forfeited, the Company shall give notice of the forfeiture to the person who was before forfeiture the holder of the share or the person entitled by transmission to the share. An entry that such notice has been given and of the fact and date of forfeiture shall be made in the Register of Members. No forfeiture will be invalidated by any omission to give such notice or make such entry.

**26 CONSEQUENCES OF FORFEITURE**

26.1 A share shall, on its forfeiture, become the property of the Company.

26.2 All interest in and all claims and demands against the Company in respect of a share and all other rights and liabilities incidental to the share as between its holder and the

Company shall, on its forfeiture, be extinguished and terminate except as otherwise stated in these Articles or, in the case of past members, as provided by the statutes.

26.3 The holder of a share (or the person entitled to it by transmission) which is forfeited shall:

26.3.1 on its forfeiture cease to be a member (or a person entitled) in respect of it;

26.3.2 if a certificated share, surrender to the Company for cancellation the certificate for the share;

26.3.3 remain liable to pay to the Company all monies payable in respect of the share at the time of forfeiture, with interest from such time of forfeiture until the time of payment, in the same manner in all respects as if the share had not been forfeited; and

26.3.4 remain liable to satisfy all (if any) claims and demands which the Company might have enforced in respect of the share at the time of forfeiture without any deduction or allowance for the value of the share at the time of forfeiture or for any consideration received on its disposal.

## 27 **DISPOSAL OF FORFEITED SHARE**

27.1 Subject to the statutes, a forfeited share may be sold, re-allotted or otherwise disposed of on such terms and in such manner as the Board may decide either to the person who was before the forfeiture the holder or to any other person. At any time before the disposal, the forfeiture may be cancelled on such terms as the Board may decide. Where for the purpose of its disposal a forfeited share is to be transferred to any transferee, the Board may:

27.1.1 in the case of certificated shares, authorise a person to execute an instrument of transfer of shares in the name and on behalf of their holder to the purchaser or as the purchaser may direct; and

27.1.2 in the case of uncertificated shares, exercise any power conferred on it by paragraph 13 of the Article headed “**Uncertificated shares**” to effect a transfer of the shares.

27.2 The purchaser will not be bound to see to the application of the purchase monies in respect of any such sale. The title of the transferee to the shares will not be affected by any irregularity in or invalidity of the proceedings connected with the sale or transfer. Any instrument or exercise referred to at paragraph 27.1 of this Article shall be effective as if it had been executed or exercised by the holder of, or the person entitled by transmission to, the shares to which it relates.

## 28 **PROOF OF FORFEITURE**

A statutory declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts stated in it against all persons claiming to be entitled to the share. The declaration shall (subject to the execution of any necessary instrument of transfer) constitute good title to the share. The person to whom the share is disposed of shall not be bound to see to the application of the consideration (if any) given for it on such disposal. Their title to the share will not be affected by any irregularity in, or invalidity of, the proceedings connected with the forfeiture or disposal.

## **UNTRACED MEMBERS**

## 29 **SALE OF SHARES**

29.1 The Company may sell any share of a member, or any share to which a person is entitled by transmission, through a member of the London Stock Exchange or other appropriate intermediary acting (in any case) on a “best execution” (or equivalent) basis or in such other manner (whether or not through an intermediary) that provides a price which the Board considers to be reasonable in the circumstances if:

29.1.1 during the period of twelve (12) years immediately prior to the date of the publication of the advertisements referred to in this paragraph 29.1 (or, if published on different dates, the earlier or earliest of them) (the “**Relevant Period**”):

- (a) no cheque, warrant or money order in respect of such share sent by or on behalf of the Company in the manner authorised by the Articles to the member or to the person entitled by transmission to the share, at their address in the Register of Members or other last known address given to the Company by the member or other person entitled by transmission for the despatch of cheques, warrants or money orders has been cashed;
- (b) no cash demand payable on the shares has been satisfied by the transfer of funds to a bank account of the member (or person entitled by transmission to the share) or by transfer of funds by means of the Uncertificated System,

and the Company has received no communication in respect of such share from such member or person, provided that during the Relevant Period the Company has paid at least three cash dividends (whether interim or final) in respect of shares of the class in question and no such dividend has been claimed by the person entitled to such share;

29.1.2 as soon as reasonably practicable following expiry of the Relevant Period, the Company has given notice of its intention to sell such share(s) to the registered

address or last known address of the member or of the person entitled to the share(s) by transmission at which service of notices may be effected in accordance with the Articles and, before sending such notice, the Company is satisfied that it has taken such steps as it considers reasonable in the circumstances to trace the member or person, including engaging if considered appropriate in relation to such share, a professional asset reunification company or other tracing agent<sup>1</sup>; and

- 29.1.3 during the period of three months following the date of such notice<sup>2</sup> and prior to the sale the Company has not received any indication either of the whereabouts or of the existence of such member or person in respect of such share.
- 29.2 If during the Relevant Period, or during any subsequent period ending on the date when all the requirements of paragraph 29.1 of this Article have been met in respect of any shares, any additional shares have been issued in respect of those held at the beginning of, or previously so issued during, any such subsequent period and all the requirements of paragraph 29.1 of this Article have been satisfied with regard to such additional shares, the Company may also sell the additional shares.
- 29.3 To give effect to a sale pursuant to paragraph 29.1 or paragraph 29.2 of this Article, the Board may do all acts and things it considers necessary or expedient to effect the transfer of the shares, including (but not limited to):
- 29.3.1 in the case of certificated shares, authorise a person to execute an instrument of transfer of shares in the name and on behalf of the holder of, or the person entitled by transmission to, them to the purchaser or as the purchaser may direct; and
- 29.3.2 in the case of uncertificated shares, exercise any power conferred on it by paragraph 13 of the Article headed “**Uncertificated shares**” to effect a transfer of the shares.
- 29.4 The purchaser will not be bound to see to the application of the purchase monies in respect of any such sale. The title of the transferee to the shares will not be affected by any irregularity in or invalidity of the proceedings connected with the sale or transfer. Any instrument or exercise referred to at paragraph 29.3 of this Article shall be effective as if it had been executed or exercised by the holder of, or the person entitled by transmission to, the shares to which it relates.

## 30 APPLICATION OF SALE PROCEEDS

The net proceeds of sale of a share or shares shall be forfeited and belong to the Company and the Company shall not be liable in any respect to any member or person who would have been entitled to the shares by law for the net proceeds of sale. Proceeds carried to such separate

account may either be employed in the business of the Company, invested by the Company, or used for any purpose as the Board may from time to time think fit.

## **TRANSFER OF SHARES**

### **31 FORM OF TRANSFER**

31.1 Subject to these Articles, a member may transfer all or any of their shares:

31.1.1 in the case of certificated shares, by an instrument of transfer in writing in any usual form or in another form approved by the Board, which must be executed by or on behalf of the transferor and (in the case of a transfer of a share which is not fully paid) by or on behalf of the transferee; or

31.1.2 in the case of uncertificated shares, without a written instrument in accordance with the Uncertificated Securities Regulations.

31.2 The transferor shall remain the holder of the share transferred until the name of the transferee is entered in the Register of Members in respect of it.

### **32 REGISTRATION OF A CERTIFICATED SHARE TRANSFER**

32.1 Subject to these Articles and to the statutes, the Board may refuse to register the transfer of a certificated share or the renunciation of a renounceable letter of allotment unless it is:

32.1.1 in respect of a share which is fully paid;

32.1.2 in respect of only one class of shares;

32.1.3 in favour of a single transferee or renouncee or not more than four joint transferees or renouncees;

32.1.4 duly stamped (if required); and

32.1.5 delivered for registration to the Registered Office or such other place as the Board may decide, accompanied by the certificate for the shares to which it relates (except in the case of a transfer of a share, for which a certificate has not been issued, by a person in respect of whom the Company is not required by the statutes to complete and have ready for delivery a share certificate, and except in the case of a renunciation) and any other evidence as the Board may reasonably require to prove the title to such share of the transferor or person renouncing and the due execution by them of the transfer or renunciation or, if the transfer or renunciation is executed by some other person on their behalf, the authority of such person to do so.

- 32.2 If the Board refuses to register a transfer or renunciation pursuant to this Article, it shall, within two months after the date on which the transfer or renunciation was delivered to the Company and subject to the statutes, send notice of the refusal to the transferee or renouncee. An instrument of transfer or renunciation which the Board refuses to register shall (except in the case of suspected fraud) be returned to the person delivering it. All instruments of transfer which are registered may, subject to these Articles, be retained by the Company.

### **33 REGISTRATION OF AN UNCERTIFICATED SHARE TRANSFER**

- 33.1 The Board shall register a transfer of title to any uncertificated share or the renunciation or transfer of any renounceable right of allotment of a share which is a participating security held in uncertificated form in accordance with the Uncertificated Securities Regulations, except that the Board may refuse to register any such transfer or renunciation which is in favour of more than four persons jointly or in any other circumstance permitted by the Uncertificated Securities Regulations.

- 33.2 Subject to the statutes, if the Board refuses to register any such transfer or renunciation the Company shall, within two months after the date on which the instruction relating to such transfer or renunciation was received by the Company, send notice of the refusal to the transferee or renouncee.

### **34 RENUNCIATION OF ALLOTMENTS**

The Board may, at its discretion, recognise and give effect to a renunciation of the allotment of any share by the allottee in favour of some other person.

### **35 NO FEE ON REGISTRATION**

No fee shall be charged for the registration of a transfer of a share or the renunciation of a renounceable letter of allotment or other document relating to or affecting the title to any share.

## **TRANSMISSION OF SHARES**

### **36 ON DEATH**

If a member dies, the survivors or survivor where they were a joint holder, or their personal representatives where they were the sole or only surviving holder, shall be the only persons recognised by the Company as having any title to their shares. Nothing in these Articles shall release the estate of a deceased holder from any liability in respect of a share which has been held by them solely or jointly.

37 **ELECTION OF PERSON ENTITLED BY TRANSMISSION**

37.1 A person becoming entitled to a share in consequence of the death or bankruptcy of a member, or of any other event giving rise to a transmission of such entitlement by operation of law, may, on such evidence as to their title being produced as the Board may require, elect either to become registered as the holder of such share or to have some person nominated by them so registered. If they elect to be registered themselves, they shall give notice to the Company to that effect. If they elect to have some other person registered, they shall:

37.1.1 in the case of a certificated share, execute an instrument of transfer of such share to such person; and

37.1.2 in the case of an uncertificated share, either:

(a) procure that all appropriate instructions are given by means of the Uncertificated System to effect the transfer of such share to such person; or

(b) change the uncertificated share to certificated form and then execute an instrument of transfer of such share to such person.

37.2 All the provisions of these Articles relating to the transfer of shares shall apply to the notice or instrument of transfer or instructions (as the case may be) referred to in paragraph 37.1 of this Article as if the notice were an instrument of transfer and as if the instrument of transfer were executed, or the instructions were given, by the member and the event giving rise to the transmission had not occurred.

37.3 The Board may give notice requiring a person to make the election referred to in paragraph 37.1 of this Article. If such notice is not complied with within sixty (60) days, the Board may withhold payment of all dividends and other amounts payable in respect of the share until notice of election has been made.

38 **RIGHTS ON TRANSMISSION**

A person becoming entitled by transmission to a share shall have the rights to which they would be entitled if they were the holder of the share, except that they shall not, before being registered as its holder, be entitled in respect of it to receive notice of, or to attend or vote at, any general meeting.

**GENERAL MEETINGS**

39 **CONVENING GENERAL MEETINGS**

39.1 The Company shall hold annual general meetings, which shall be convened by the Board, in accordance with the statutes.

- 39.2 All general meetings other than annual general meetings may be called general meetings.
- 39.3 The Board may convene a general meeting which is not an annual general meeting whenever it thinks fit.
- 39.4 The Board shall, on requisition in accordance with the 2006 Act, proceed to convene a general meeting. The Board must convene a general meeting on receipt of a requisition of members in accordance with the provisions of the 2006 Act, or, in default, a general meeting may be convened by such requisitions, as provided of the 2006 Act. If there are insufficient Directors to call a general meeting, any Director may call a general meeting, but where no Director is willing or able to do so, any two members of the Company may summon a meeting for the purpose of appointing one or more Directors.
- 39.5 The Board may make whatever arrangements it thinks fit to allow those entitled to attend and participate in a general meeting to do so.
- 39.6 When deciding whether a person is attending or participating in a meeting by means of an Electronic Facility, it is immaterial where that person is or how that person is able to communicate with others who are attending and participating.

#### 40 **NOTICE OF GENERAL MEETINGS**

- 40.1 Subject to the statutes, an annual general meeting and all other general meetings of the Company shall be called by at least such minimum period of notice as is prescribed under the statutes.
- 40.2 The notice of meeting shall be given to the members (other than a member who, under these Articles or any restrictions imposed on any shares, is not entitled to receive notice from the Company), to the Directors and to the Auditors.
- 40.3 The notice of meeting may specify a time, subject to the statutes, by which a person must be entered on the Register of Members in order for such person to have the right to attend or vote at the meeting.
- 40.4 Every notice of meeting shall include:
- 40.4.1 the place, date, and time of the meeting;
  - 40.4.2 a statement, with reasonable prominence, that a member entitled to attend and vote is entitled to a proxy or (if the member has more than one share) proxies to exercise all or any of the member's rights to attend, speak and vote and that a proxy need not be a member of the Company;
  - 40.4.3 the address of the website on which the information required by the 2006 Act is published;

- 40.4.4 the procedures with which members must comply in order to be able to attend and vote at the meeting (including the date by which they must comply);
- 40.4.5 the general nature of the business to be transacted at the meeting and the text of all resolutions to be considered by the meeting and a statement in each case whether it is proposed as an ordinary resolution or as a special resolution.
- 40.5 The accidental omission or failure to send a notice of any general meeting or of any resolution intended to be moved at any general meeting to, or the non-receipt of any such notice by, any person entitled to receive it shall be disregarded for the purposes of determining whether such notice is duly given and shall not invalidate the proceedings at the general meeting concerned.

#### 41 **QUORUM FOR GENERAL MEETING**

No business shall be transacted at a general meeting unless a quorum is present. Two qualifying persons present and entitled to vote on the business to be transacted at the general meeting shall together be a quorum at that meeting unless one of them is a proxy or a corporate representative appointed by the other or if each of them is a proxy or a corporate representative appointed by the same member as the other. For the purposes of this Article a **“qualifying person”** means (i) an individual who is a member of the Company, (ii) a person authorised under the statutes to act in relation to the meeting as a representative of a member that is a corporation (a **“corporate representative”**), or (iii) a person appointed as proxy of a member in relation to the meeting. The absence of a quorum will not prevent the appointment of a chair of the meeting. Such appointment shall not be treated as being part of the business of the meeting.

#### 42 **PROCEDURE IF QUORUM NOT PRESENT**

- 42.1 If within five minutes after the time appointed for the holding of the meeting, or such longer time not exceeding one hour as the chair of the meeting (being, for the purposes of all provisions in these Articles concerning general meetings, **“the chair”**) may decide to wait, a quorum is not present, or if during the meeting a quorum ceases to be present, the meeting:
  - 42.1.1 if convened on the requisition of members made by request in accordance with the statutes, shall be dissolved; and
  - 42.1.2 in any other case shall, subject to the statutes, stand adjourned to the same day in the next week or to such other day and at such other time and place as the chair (or, in default, the Board) may decide.
- 42.2 If at such adjourned meeting a quorum is not present within five minutes after the time appointed for holding it one person present and entitled to vote on the business to be transacted, being a member or a proxy for a member or a duly authorised representative of a corporation which is a member, shall be a quorum.

43      **CHAIR OF GENERAL MEETING**

The chair (if any) of the Board or, in their absence, the deputy chair (if any) shall preside as chair at a general meeting. If there is no chair or deputy chair, or if at a meeting neither is present within five minutes after the time appointed for the start of the meeting, or neither is willing to act, the Directors present shall select one of their number to be chair. If only one Director is present and willing to act, they shall be chair. In default, the members present and entitled to vote shall choose one of their number who is present in person (but not by proxy) to be chair. If no such member present shall be willing to act, then such members may choose a member present by proxy as chair.

44      **RIGHTS OF DIRECTORS AND OTHERS TO ATTEND MEETINGS**

A Director (and any other person invited by the chair to do so) shall be entitled to attend and speak at a general meeting, whether or not they are a member.

45      **ACCOMMODATION OF MEMBERS AT MEETING**

If it appears to the chair that the meeting place (or places in the case of a satellite meeting) specified in the notice convening the meeting, or appointed for the holding of an adjourned meeting, is inadequate to accommodate all persons entitled and wishing to attend, the meeting will be duly constituted and its proceedings valid if the chair is satisfied that adequate facilities are available to ensure that any such person who is unable to be accommodated is able (whether at the meeting place or elsewhere):

- 45.1      to participate in the business for which the meeting has been convened;
- 45.2      to hear and see all persons present who speak (whether by the use of microphones, loud-speakers, audio-visual communications equipment or otherwise); and
- 45.3      to be heard and seen by all other persons present in the same way.

46      **ELECTRONIC FACILITIES AND SATELLITE MEETINGS**

- 46.1      The Board may decide to let persons entitled to attend and participate in a general meeting do so by simultaneous attendance and participation by means of an electronic facility. Members present in person or by proxy by means of such Electronic Facility will be counted in the quorum for, and entitled to participate in, the general meeting.
- 46.2      The Board may also decide to let persons entitled to attend and participate in a general meeting do so by simultaneous attendance and participation at a satellite meeting place anywhere in the world (referred to in the Articles as a satellite meeting). Members present in person or by proxy at satellite meeting places shall be counted in the quorum for, and entitled to participate in the general meeting. The Satellite meeting will be treated as taking place where the chair of the meeting is at the time of the meeting and the powers of the chair will apply to the satellite meeting.

46.3 Any general meeting at which electronic facilities are available and any satellite meeting will be duly constituted and its proceedings valid if the chair is satisfied that facilities are available throughout the meeting to enable all members attending the meeting by whatever means and at all the meeting places to:

46.3.1 participate in the business of the meeting has been called;

46.3.2 hear all the people who speak at the meeting and at any satellite meeting; and

46.3.3 be heard by all other people attending and participating in the meeting.

46.4 All persons seeking to attend and participate in a general meeting by way of electronic facility are responsible for having in place the necessary means to enable them to do so. Subject to the right of the chair to adjourn a general meeting under the Articles, any inability of a person to attend or participate in a general meeting by means of Electronic Facility, or any interruption to a person being so able, shall not invalidate the proceedings of that meeting.

46.5 Where permitted by Statutes, the Directors may convene a general meeting solely by means of an electronic facility or facilities.

## 47 **SECURITY**

47.1 The Board may make any arrangement and impose any restriction it considers appropriate and reasonable in the circumstances to ensure the security of a meeting including the searching of any person attending the meeting and the imposing of restrictions on the items of personal property that may be taken into the meeting place. The Board may refuse entry to, or eject from, a meeting a person who refuses to comply with any such arrangements or restrictions.

47.2 Where a general meeting is held partly by means of an Electronic Facility, the Directors or the secretary may make any arrangement and impose any requirement or restriction that is necessary to ensure the identification of those taking part by this means and the security of the Electronic Facility.

## 48 **POWER TO ADJOURN**

48.1 Subject to the statutes, the chair may, with the consent of any meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn the meeting from time to time (or indefinitely) and from place to place.

48.2 Subject to the statutes and without prejudice to any other power of adjournment which the chair may have under these Articles, at common law or otherwise, the chair may, without the consent of the meeting, adjourn the meeting from time to time (or indefinitely) and from place to place (or places in the case of satellite meeting) if they decide that it is necessary or appropriate to do so in order to:

48.2.1 secure the proper and orderly conduct of the meeting; or

- 48.2.2 give all persons entitled to do so an opportunity of attending the meeting; or
  - 48.2.3 give all persons entitled to do so a reasonable opportunity of speaking and voting at the meeting; or
  - 48.2.4 ensure that the business of the meeting is properly concluded or disposed of, including for the purpose of determining the result of a poll; or
  - 48.2.5 ensure the electronic facility provided for the general meeting are adequate and sufficient to allow the meeting to be conducted as intended.
- 48.3 Subject to the statutes, all the provisions in these Articles relating to a general meeting also relate, where applicable (or unless stated otherwise), to an adjourned meeting.

#### **49 NOTICE OF ADJOURNED MEETING**

Subject to the statutes, whenever a meeting is adjourned for thirty (30) days or more or indefinitely, at least seven days' notice, specifying the place, the day and time of the adjourned meeting and the general nature of the business to be transacted, shall be given in the same manner as in the case of an original meeting. Except in these circumstances and subject to the statutes, no member shall be entitled to any notice of an adjournment or of the business to be transacted at any adjourned meeting.

#### **50 BUSINESS OF ADJOURNED MEETING**

No business shall be transacted at any adjourned meeting other than the business which might properly have been transacted at the meeting from which the adjournment took place.

### **VOTING**

#### **51 VOTING AT A GENERAL MEETING**

- 51.1 The chair can demand a poll on any resolution that is to be put to the vote of a general meeting, whether before it has been put to the vote on a show of hands or afterwards. Otherwise a resolution that is put to the vote of a general meeting shall be decided on a show of hands, unless (before or on the declaration of the result of the show of hands):
- 51.2 a poll is demanded by:
- (a) the chair; or
  - (b) at least five members having the right to vote on the resolution; or
  - (c) a member or members representing not less than one-tenth of the total voting rights of all the members having the right to vote on the resolution; or

- (d) a member or members holding shares conferring a right to vote on the resolution on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right

51.2.2 participation in the general meeting is partly by means of an electronic facility, in which case the vote of the meeting will be decided on a poll, which poll votes may be cast by such electronic means as the Board decides are appropriate. Any such poll will be treated as having been validly demanded at the time fixed for the holding of the meeting.

51.3 Unless a poll is so demanded and the demand is not withdrawn, a declaration by the chair that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the minutes of the meeting, shall be conclusive evidence of that fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

51.4 A demand for a poll may be withdrawn before the poll is taken, but only with the consent of the chair. A demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.

## 52 **POLL PROCEDURE**

52.1 No poll shall be demanded on the election of a chair of a meeting or (except by, or with the consent of, the chair) on any question of adjournment. A poll duly demanded on a question of adjournment shall be taken forthwith and a poll on any other matter shall be taken either forthwith or at such time and place, not being more than thirty (30) days from the date of the meeting at which the poll was demanded, as the chair shall direct. The chair may direct the manner in which a poll shall be taken and may appoint scrutineers who need not be members. No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven days' notice shall be given specifying the time and place at which the poll is to be taken. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

52.2 The demand for a poll, except on a question of adjournment, shall not prevent the continuance of the meeting for the transaction of any business other than the question on which a poll has been demanded.

## 53 **VOTES OF MEMBERS**

53.1 Subject to the statutes and to any rights or restrictions attaching to any shares, on a show of hands or on a poll every member who is present in person or by proxy (including being present via a satellite meeting) shall be entitled to the number of votes prescribed by the statutes.

53.2 In the case of Joint holders, the vote of the senior who tenders a vote shall be accepted to the exclusion of the votes of the other joint holders. Seniority shall be determined by the order in which the names of the holders stand in the Register of Members in respect of the joint holding.

53.3 A member in respect of whom an order has been made by any court or official having jurisdiction (whether in the United Kingdom or elsewhere) in matters concerning mental disorder or incapacity may vote, on a show of hands or on a poll, by their guardian or other person duly authorised to act on their behalf, who may vote by proxy. Subject to the statutes, evidence to the satisfaction of the Board of the authority of the person claiming the right to vote shall be received at the Registered Office, or at such other place or electronic address as is specified in accordance with these Articles for the deposit of instruments of proxy, by a time not less than forty-eight (48) hours before the time appointed for holding the meeting at which the right to vote is to be exercised, and in default the right to vote shall not be exercisable.

53.4 Subject to the statutes, a member entitled to more than one vote need not, if they vote, use all their votes or cast all the votes they uses in the same way.

#### 54 **VOTING RESTRICTIONS ON AN OUTSTANDING CALL**

54.1 Unless the Board decides otherwise, no member shall be entitled to be present or vote at any meeting either personally or by proxy until they have paid all calls due and payable on every share held by them whether alone or jointly with any other person together with interest and expenses (if any) to the Company.

#### 55 **APPOINTMENT OF PROXY**

55.1 A member who is entitled to attend and vote at a general meeting is entitled to appoint another person, or two or more persons in respect of different shares held by them, as their proxy to exercise all or any of their rights to attend and to speak and to vote at the meeting. A proxy need not be a member of the Company.

55.2 An instrument appointing a proxy shall be in any usual form or in any other form which the Board may approve, whether in hard copy or electronic form, and shall be executed by or on behalf of the appointer. Deposit of an instrument of proxy shall not preclude a member from attending and voting at the meeting. An instrument appointing a proxy shall, unless it provides to the contrary, be valid for any adjournment of the meeting to which it relates.

55.3 The instrument appointing a proxy shall:

55.3.1 if in hard copy form, be received at the Registered Office or at such other place in the United Kingdom as is specified in the notice convening the meeting, or in any instrument of proxy sent out by the Company in relation to the meeting, by a time not less than forty-eight (48) hours (or such shorter time as the Directors may determine) before the time appointed for holding the meeting concerned (and,

subject to the statutes, there shall also be deposited at the same place and by the same time the power of attorney or other authority, if any, under which such instrument is signed, or a copy of the authority certified notarially or in some other way approved by the Board);

- 55.3.2 if in electronic form, be received at any address specified by the Company for the purpose of receiving proxy appointments in electronic form in the notice convening the meeting or in any instrument of proxy sent out by the Company in relation to the meeting or in any invitation to appoint a proxy issued by the Company in relation to the meeting by a time not less than forty-eight hours (or such shorter time as the Directors may determine) before the time appointed for holding the meeting concerned; and
- 55.3.3 if in hard copy or electronic form, in the case of a poll taken more than forty-eight (48) hours after it was demanded, be received at the place or address referred to in paragraphs 55.3.1 or 55.3.2) of this Article after the poll has been demanded and not less than twenty-four (24) hours before the time appointed for taking the poll,

and, subject to the statutes, an instrument of proxy which (or in respect of which any other document referred to in paragraph 55.3.1 of this Article) is not received in a manner and within the time limits set out above in this Paragraph 55.3 shall be invalid (unless and to the extent that the Board, in its absolute discretion in relation to any such instrument, waives any such requirement). An instrument appointing a proxy will not be valid after twelve (12) months from the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve (12) months from such date.

- 55.4 For the purposes of calculating any period of time under this Article or the next Article headed **“Termination of proxy or corporate authority”**, no account need be taken by the Company of any part of a day that is not a working day.
- 55.5 When two or more valid but differing instruments of proxy are received in respect of the same share for use at the same meeting or poll and in respect of the same matter, the one which is last validly received (regardless of its date or of the date of its execution) shall be treated as replacing and revoking the other or others as regards that share. If the Company is unable to determine which instrument was last validly received, none of them shall be treated as valid In respect of that share, provided that if the Company determines that it has insufficient evidence to decide whether or not an instrument of proxy is in respect of the same share, it shall be entitled to determine which instrument of proxy (if any) is to be treated as valid.
- 55.6 An instrument appointing a proxy shall be deemed (unless the contrary is stated in it) to confer authority to demand or join in demanding a poll and to vote on a resolution or an amendment of a resolution put to, or other business which may properly come before, the meeting or meetings for which it is given, as the proxy thinks fit and shall also be deemed to confer on the proxy the right to speak at the meeting.

- 55.7 The Board may, if it thinks fit but subject to the statutes, at the expense of the Company send instruments of proxy to members (with or without provision for their return pre-paid) for use at any general meeting, either in blank or nominating as proxy in the alternative any one or more of the Directors or any other person. Any omission to send such an instrument or any invitation to appoint a proxy in relation to a general meeting to, or the non-receipt of such instrument or invitation by, any member shall not invalidate the proceedings at the meeting concerned.
- 55.8 The omission or failure by any proxy to act in accordance with any instructions given to them by their appointer shall not invalidate any vote cast by them or any resolution passed at the general meeting concerned.

56 **TENNINATION OF PROXY OR CORPORATE AUTHORITY**

Subject to the statutes, a vote given or poll demanded by proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous termination of the authority of the person voting or demanding a poll, unless notice of the termination was received either by (i) the Company at the Registered Office, or at such other place or address at which the instrument of proxy was duly deposited or (ii) any person (other than the Company) named in the notice convening the general meeting concerned at such place or address as specified in that notice, at least one hour before the time appointed for the holding of the meeting at which the vote is given or the poll demanded or (in the case of a poll not taken on the same day as the meeting) at least one hour before the time appointed for taking the poll.

57 **CORPORATE REPRESENTATIVES**

A corporation which is a member may, by resolution of its directors or other governing body, authorise such person or persons as it thinks fit to act as its representative or representatives at any general meeting of the Company. The corporation shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present at it. All references in these Articles to attendance and voting in person shall, subject to the statutes, be construed accordingly. A Director, the Secretary or some other person authorised for the purpose by the Secretary may require the representative to produce a certified copy of the resolution so authorising them or such other evidence of their authority reasonably satisfactory to such person before permitting them to exercise their powers.

58 **AMENDMENT TO RESOLUTIONS**

- 58.1 If an amendment shall be proposed to any resolution but shall in good faith be ruled out of order by the chair, any error in such ruling shall not invalidate the proceedings on the substantive resolution.
- 58.2 In the case of a resolution duly proposed as a special resolution, no amendment to it (other than an amendment to correct a manifest error) may be considered or voted on and in the

case of a resolution duly proposed as an ordinary resolution no amendment to it (other than an amendment to correct a manifest error) may be considered or voted on unless either:

58.2.1 at least forty-eight (48) hours prior to the time appointed for holding the meeting at which such ordinary resolution is to be proposed (which, unless the Board decides otherwise, shall be calculated without taking account of any part of a day that is not a working day) notice of the terms of the amendment and intention to move it has been received in hard copy form at the Registered Office or at such other place as may be specified by or on behalf of the Company for that purpose; or

58.2.2 the chair in their absolute discretion decides that it may be considered or voted on.

## 59 **OBJECTION TO ERROR IN VOTING**

No objection shall be raised to the qualification of any voter or to the counting of, or failure to count, any vote, except at the meeting at which the vote objected to is given or tendered or at which the error occurs. Any such objection or error shall be referred to the chair, who shall not be obliged to take it into account unless they consider it to be of sufficient magnitude to affect the decision of the meeting. The chair's decision on such matters shall be final and binding on all concerned.

79.2 The Board's power under these Articles to delegate to a committee:

79.2.1 includes the power to delegate the determination of any fee, monies, remuneration or other benefit to be paid or provided to any Director and the power to authorise any situation or matter to which section 175 of the 2006 Act applies; and

## 85 **ASSOCIATE DIRECTORS**

The Board may appoint any person (not being a Director) to any office or employment having a designation or title including the word “director” or attach to any existing office or employment with the Company such designation or title and may terminate any such appointment or the use of such designation or title. The inclusion of the word “director” in the designation or title of any such office or employment shall not imply that such person is, or is deemed to be, or is empowered in any respect to act as, a Director for any of the purposes of the statutes or these Articles.

## 86 **BORROWING POWERS**

86.1 Subject to this Article the Board may exercise all the powers of the Company to borrow money and to mortgage or charge all or part of the undertaking, property and assets (present or future) and uncalled capital of the Company and, subject to the statutes, to create and issue debentures and other securities, whether outright or as collateral security for a debt, liability or obligation of the Company or of a third party.

86.2 The Board shall restrict the borrowings of the Company and shall exercise all voting and other rights or powers of control exercisable by the Company in relation to its subsidiary undertakings so as to ensure (as regards subsidiary undertakings, to the extent possible by such exercise) that the aggregate principal amount outstanding in respect of Monies Borrowed by Group Undertakings does not at any time, without the previous sanction of an ordinary resolution, exceed a sum equal to three times the Adjusted Capital and Reserves.

86.3 In this Article:

86.3.1 **“Adjusted Capital and Reserves”** means a sum equal to the aggregate of:

- (a) the amount paid up on the Company’s share capital; and
- (b) the amount standing to the credit or debit of the Group’s consolidated reserves,

all as shown in the consolidated balance sheet but after:

- (c) making all adjustments which are in the opinion of the Board, necessary or appropriate to take account of a change in the amount paid up on the Company’s share capital or the amount standing to the credit or debit of the Group’s consolidated reserves arising out of the allotment of shares (for this purpose if a proposed allotment of shares

has been underwritten, those shares shall be deemed to have been allotted and the amount, including any premium, of the subscription monies payable in respect of those shares by the date six months following allotment shall be deemed to have been paid up to the extent underwritten on the date on which the issue of those shares was underwritten or, if the underwriting was conditional, the date on which it became unconditional); and

- (d) excluding (so far as not already excluded):
  - (i) amounts attributable to such issued equity capital of any subsidiary undertaking as is not attributable, directly or indirectly, to the Company;
  - (ii) any sum set aside for taxation (other than deferred taxation):
- (e) deducting (so far as not already deducted or provided for) the amount of a distribution declared, recommended or paid by a Group Undertaking to a person other than a Group Undertaking out of profits accrued up to and including the date of, but not provided for in, the consolidated balance sheet;

86.3.2 **“Monies Borrowed”** means all monies borrowed by Group Undertakings including:

- (a) the nominal amount of and the amount of any premium paid in respect of any allotted share capital (not being equity share capital) of a Group Undertaking other than the Company not beneficially owned, directly or indirectly, by another Group Undertaking;
- (b) any amount raised by acceptance under an acceptance credit facility (other than acceptances relating to the purchase of goods or services in the ordinary course of trading and outstanding for six months or less);
- (c) the nominal amount of any issued share capital and the principal amount of any monies borrowed the redemption or repayment of which is guaranteed or secured or the subject of an indemnity given by any Group Undertaking (except in so far as the benefit of any such guarantee, security or indemnity is held by any Group Undertaking);
- (d) any amount raised under a note purchase facility;
- (e) the amount of any liability in respect of a lease or hire purchase contract which would, in accordance with applicable accounting standards, be treated as a finance or capital lease;

- (f) the amount of any liability in respect of a purchase price for assets or services the payment of which is deferred for a period of more than ninety (90) days; and
- (g) any amount raised under another transaction (including a forward sale or purchase agreement) having the commercial effect of a borrowing;

but excluding:

- (h) borrowings by one Group Undertaking from another;
- (i) borrowings for the purpose of financing a contract to the extent that the price receivable under the contract is guaranteed or insured by the Export Credits Guarantee Department of the Department for Business Enterprise and Regulatory Reform or by another person fulfilling a similar function;
- (j) borrowings for the purpose of, and applied within six months of being made in, repaying the whole or part of borrowings that constitute Monies Borrowed, pending their application for such purpose within such period;
- (k) monies borrowed by a subsidiary undertaking in its capacity as a trustee of any pension fund of any Group Undertaking;

and, in calculating Monies Borrowed, there shall be deducted:

- (l) an amount equal to the aggregate of:
  - (i) all cash in hand and cash deposits repayable on demand with any bank or financial institution (not itself a Group Undertaking); and
  - (ii) investments which are readily convertible into known amounts of cash with notice of forty-eight (48) hours or less,

in each case beneficially owned, directly or indirectly, by a Group Undertaking and whether denominated in sterling or in a currency other than sterling; and

86.3.3 references to a “ **consolidated balance sheet**” or “ **consolidated profit and loss account**” are references the Group’s latest published audited consolidated balance sheet and profit and loss account or, if the Company has no subsidiary undertakings, the Company’s latest published audited balance sheet and profit and loss account and, if the Company has any subsidiary undertakings that have accounts which are not consolidated with the Company’s accounts, the respective latest audited published balance sheets and profit and loss accounts

of the Company (or, as applicable, the Group on a consolidated basis) and of such subsidiary undertakings.

86.4 To calculate the amount of Monies Borrowed on a particular day, monies denominated or repayable in a currency other than sterling shall be converted for the purpose of calculating the sterling equivalent either:

86.4.1 at the rate of exchange specified in a forward purchase contract, currency option, back-to-back loan, swap or other arrangements taken out or entered into to reduce the risk associated with fluctuations in rates of exchange in respect of repayment of those monies (a “**hedging agreement**”); or

86.4.2 if those monies were borrowed on or before the date of the consolidated balance sheet and repayment of those monies has not been covered by a hedging agreement, at the more favourable to the Company of:

(a) the rate of exchange used for the conversion of that currency in the consolidated balance sheet; or

(b) the middle-market rate of exchange quoted by a clearing bank specified by the Board at the close of business in London on the working day immediately preceding the day on which the calculation is made; or

86.4.3 If those monies were borrowed after the date of the consolidated balance sheet and repayment of those monies has not been covered by a hedging agreement, at the more favourable to the Company of:

(a) the middle-market rate of exchange quoted by a clearing bank specified by the Board at the close of business in London on the date of the consolidated balance sheet; or

(b) the middle-market rate of exchange quoted by a clearing bank specified by the Board at the close of business in London on the working day immediately preceding the day on which the calculation is made.

86.5 The Auditors’ written confirmation for the purpose of this Article as to the amount of the Adjusted Capital and Reserves or the aggregate amount of Monies Borrowed shall be conclusive and binding on all concerned. The Board may act in reliance on a bona fide estimate of the amount of the Adjusted Capital and Reserves or the aggregate amount of Monies Borrowed without having requested or obtained such written confirmation from the Auditors. If in consequence the limit on Monies Borrowed set out in this Article is inadvertently exceeded, the amount of Monies Borrowed equal to the excess may be disregarded for ninety (90) days after the date on which by reason of a determination of the Auditors or otherwise the Board became aware that this situation has or may have arisen.

- 86.6 No debt incurred or security given in respect of Monies Borrowed in excess of the limit imposed by this Article shall be invalid or ineffectual, except where express notice that the limit has been or will be exceeded has been given to the lender or recipient of the security at the time when the debt is incurred or security given. No lender or other person dealing with the Company shall be concerned to see or enquire whether such limit is observed.

## **DIRECTORS' REMUNERATION, EXPENSES AND BENEFITS**

### **87 FEES**

The Company shall pay to the Directors (but not alternate Directors) for their services as Directors such aggregate amount of fees as the Board decides (not exceeding £650,000 per annum or such larger amount as the Company may by ordinary resolution decide). The aggregate fees shall be divided among the Directors in such proportions as the Board decides or, if no decision is made, equally. A fee payable to a Director pursuant to this Article shall be distinct from any salary, remuneration or other amount payable to them pursuant to other provisions of these Articles and shall accrue from day to day.

### **88 EXPENSES**

- 88.1 A Director may also be paid all travelling, hotel and other expenses properly incurred by them in connection with their attendance at meetings to which these Articles apply or otherwise in connection with the discharge of their duties as a Director, including any professional fees incurred by them (with the approval of the Board or in accordance with any procedures prescribed by the Board) in taking independent professional advice in connection with the discharge of such duties.

- 88.2 The Company may, subject to the statutes:

88.2.1 provide any Director with funds to meet their defence expenditure in respect of any civil or criminal proceedings or regulatory investigation or other regulatory action or in connection with any application for any category of relief permitted by the statutes; and

88.2.2 do anything to enable them to avoid incurring any such expenditure.

### **89 REMUNERATION OF EXECUTIVE DIRECTORS**

The salary or remuneration of a Director appointed to hold employment or executive office in accordance with the Articles may be a fixed sum of money, or wholly or in part governed by business done or profits made, or as otherwise decided by the Board (including, for the avoidance of doubt, by the Board acting through a duly authorised Board committee), and may be in addition to or instead of a fee payable to them for their services as Director pursuant to these Articles.

90 **SPECIAL REMUNERATION**

A Director who, at the request of the Board, goes or resides abroad, makes a special journey or performs a special service on behalf of or for the Company {including services as a chair or deputy-chair of the Board, services as a member of any Board committee and services which the Board considers to be outside the scope of the ordinary duties of a Director) may be paid such reasonable additional remuneration (whether by way of salary, bonus, commission, percentage of profits or otherwise) and expenses as the Board (including, for the avoidance of doubt, the Board acting through a duly authorised Board committee) may decide.

91 **PENSIONS AND OTHER BENEFITS**

The Board may exercise all the powers of the Company to provide pensions or other retirement or superannuation benefits and to provide death or disability benefits or other allowances or gratuities (by insurance or otherwise) for a person who is or has at any time been a Director, an officer or a director or an employee of a company which is or was a Group Undertaking, a company which is or was allied to or associated with a Group Undertaking or a predecessor in business of a Group Undertaking (and for any member of their family, including a spouse or former spouse, or a person who is or was dependent on them). For this purpose the Board may establish, maintain, subscribe and contribute to any scheme, trust or fund and pay premiums. The Board may arrange for this to be done by the Company alone or in conjunction with another person. A Director or former Director is entitled to receive and retain for their own benefit any pension or other benefit provided in accordance with this Article and is not obliged to account for it to the Company.

**DIRECTORS' PROCEEDINGS**

92 **BOARD MEETINGS**

Subject to these Articles, the Board may regulate its proceedings as it thinks fit.

93 **NOTICE OF BOARD MEETINGS**

A Director may, and the Secretary at the request of a Director shall, call a meeting of the Board. Notice of a Board meeting shall be deemed to be duly given to a Director if it is given to them personally or by word of mouth or by electronic means at an address given by them to the Company for that purpose or sent in writing to their last known address within the United Kingdom or any other address within the United Kingdom given to the Company by them for such purpose. It shall not be necessary to give notice of a Board meeting to a Director who is absent from the United Kingdom unless the Director has notified the Company in writing of an address in the United Kingdom or an electronic address at which notice of such meetings is to be given to them when they are absent from the United Kingdom. A Director may waive the requirement that notice of any Board meeting be given to them, either prospectively or retrospectively.

94      **QUORUM**

Subject to these Articles, no business shall be transacted at any meeting of the Board unless a quorum is present. The quorum may be fixed by the Board and unless so fixed at any other number shall be two. An alternate Director who is not himself a Director shall, if their appointer is not present, be counted in the quorum. A duly convened Board meeting at which a quorum is present shall be competent to exercise any and all of the authorities, discretions and powers vested in or exercisable by the Board.

95      **BOARD CHAIR**

The Board may appoint any Director to be, and may remove, a chair and a deputy-chair of the Board. The chair or, in their absence, the deputy-chair, shall preside at all Board meetings. If there is no chair or deputy-chair, or if at a Board meeting neither the chair nor the deputy-chair is present within five minutes after the time appointed for the holding of the meeting, or if neither of them is willing to act as chair, the Directors present may choose any Director present to be chair of the meeting. The chair of a Board meeting is “the chair” for the purposes of all provisions in these Articles concerning that meeting.

96      **VOTING**

Questions arising at a meeting shall be decided by a majority of votes. In the case of an equality of votes, the chair shall have a second or casting vote.

97      **AUDIO-VISUAL PARTICIPATION**

A Director or their alternate Director may participate in a meeting of the Board through the medium of conference telephone, video conferencing or any other form of communication equipment if all persons participating in the meeting are able to hear and speak to each other throughout the meeting. A person participating in this way shall be deemed to be present in person at the meeting and shall be counted in a quorum and entitled to vote. Subject to the statutes, all business transacted in this way by the Board shall be deemed for the purposes of the Articles to be validly and effectively transacted at a meeting of the Board even if one Director only is physically present at any one place. The meeting shall be deemed to take place where the largest group of those participating is assembled or, if there is no such group, where the chair then is.

98      **WRITTEN RESOLUTIONS**

- 98.1      A resolution in writing executed by all the Directors for the time being entitled to receive notice of a Board meeting and in number not being less than a quorum, or by all the members of a committee of the Board for the time being entitled to receive notice of the meetings of such committee and in number not being less than a quorum of such committee, shall be as valid and effective for all purposes as a resolution duly passed at such a meeting (a “**written resolution**”).

98.2 A written resolution:

98.2.1 may consist of several documents in the same form each executed or otherwise confirmed in writing by one or more of the Directors or members of the relevant committee;

98.2.2 need not be signed by an alternate Director if it is signed by their appointer;

98.2.3 if signed by an alternate Director, need not also be signed by their appointer; and

98.2.4 to be effective, need not be signed by a Director who is prohibited by these Articles from voting on it, or by their alternate.

## 99 **COMMITTEE PROCEEDINGS**

Proceedings of committees of the Board shall be conducted in accordance with regulations prescribed by the Board (if any). Subject to those regulations, such proceedings shall be conducted in accordance with applicable provisions of these Articles regulating the proceedings of the Board. Where the Board resolves to delegate any of its powers, authorities and discretions to a committee and such resolution states that the committee shall consist of any one or more unnamed Directors, it shall not be necessary to give notice of a meeting of such committee to any Directors other than the Director or Directors who form the committee.

## 100 **MINUTES**

100.1 The Board shall cause minutes to be made of:

100.1.1 all appointments of officers and committees made by the Board and of any such officer's remuneration; and

100.1.2 the names of Directors present at every meeting of the Board, a committee of the Board, the Company or the holders of any class of shares or debentures, and all orders, resolutions and proceedings of such meetings.

100.2 Any such minutes, if purporting to be signed by the chair at which the proceedings were held or by the chair of the next succeeding meeting or the Secretary, shall be prima facie evidence of the matters stated in them.

## 101 **VALIDITY OF PROCEEDINGS**

All acts done in good faith by a meeting of the Board, or of a committee of the Board, or by a person acting as a Director, an alternate Director or a committee member shall, notwithstanding that it may be discovered afterwards that there was a defect in the appointment of any person so acting or that any of them were disqualified from holding office, or had vacated office, or were not entitled to vote, be as valid as if every such person had been

duly appointed and was qualified and had continued to be a Director, alternate Director or committee member and entitled to vote.

## **INTERESTS OF DIRECTORS**

### **102 DIRECTORS' POWER TO AUTHORISE CONFLICTS**

102.1 The Directors may authorise any situation or matter relating to a particular Director to which section 175 of the 2006 Act applies (each a “**Conflict Matter**”), subject to that section, on such terms (if any) as they think fit. Before any such authorisation (a “**Conflict Authorisation**”) is given, a Director (whether or not the Director concerned) shall propose to the Directors, in accordance with the Board’s normal procedures for putting proposals to the Directors for their consideration and approval at a meeting of the Board or by way of written resolution or with such other procedures as the Directors may determine, that the Conflict Matter concerned be so authorised. The Directors may terminate or withdraw a Conflict Authorisation at any time by giving notice to the Director concerned.

102.2 Any terms to which a Conflict Authorisation is made subject (“**Conflict Authorisation Terms**”) may include, in each case at the Directors’ discretion, that the Director concerned:

102.2.1 is not obliged to disclose to the Company confidential information obtained by them (other than in their capacity as its Director or as its employee or agent or, if the Directors so decide, in any other capacity that would otherwise oblige them to disclose it to the Company) in any situation to which the Conflict Authorisation applies, nor to use any such information directly or indirectly for the benefit of the Company, where to do so would amount to a breach of a duty of confidence, previously disclosed to the Directors by the Director concerned, to any third party; and

102.2.2 may absent themselves from any Board discussions, and make arrangements not to receive documents and information, relating to the Conflict Matter concerned for so long as they reasonably believe that, as a Director, they has or may have a conflict of interest in respect of it,

and the Company will not treat anything done, or omitted to be done, by the Director concerned in accordance with the Conflict Authorisation Terms as a breach of duty under the following sections of the 2006 Act- section 172 (duty to promote the success of the company), section 173 (duty to exercise independent judgement) and section 174 (duty to exercise reasonable care, skill and diligence).

### **103 DIRECTORS PERMITTED TO RETAIN BENEFITS**

103.1 A Director is not required, by reason of being a Director, to account to the Company for any profit, remuneration or other benefit which they derives from or in connection with a Conflict Matter which has been authorised by the Board pursuant to the preceding Article, or by the

Company in general meeting (subject to any terms, limits or conditions attaching to such authorisation).

103.2 Provided they have disclosed their interest in the matter concerned in accordance with the statutes, a Director is not required, by reason of being a Director, to account to the Company for any profit, remuneration or other benefit which they derives from or in connection with;

103.2.1 being interested in any contract, arrangement, transaction or proposal with the Company or in which the Company is otherwise interested;

103.2.2 holding any other office or place of profit under the Company, except that of auditor, in conjunction with the office of Director and acting by themselves or through their firm in a professional capacity for the Company (and being entitled to remuneration as the Board may arrange, either in addition to or in lieu of any remuneration provided for by any other Article); and

103.2.3 being a director or other officer of, or employed by, or a party to any contract, arrangement, transaction or proposal with or otherwise interested in, any body corporate promoted by the Company or in which the Company is otherwise interested or as regards which the Company has any powers of appointment.

103.3 The Company will not treat the receipt by the Director of any profit, remuneration or other benefit referred to in paragraphs 103.1 or 103.2 of this Article as a breach of duty under section 176 of the 2006 Act (duty not to accept benefits from third parties). No such contract, arrangement, transaction or proposal shall be avoided on the grounds of any such interest, profit, remuneration or other benefit.

#### 104 **INTERESTED DIRECTOR NOT TO VOTE OR COUNT FOR QUORUM**

A Director shall not vote on, or be counted in the quorum in relation to, any resolution of the Board concerning any contract or arrangement or any other proposal to which the Company is or is to be a party and in which they has an interest which is to their knowledge a material interest (otherwise than by virtue of their interests in shares or debentures or other securities of, or otherwise in or through, the Company), other than a resolution:

104.1.1 relating to the giving of any security, guarantee or indemnity to them in respect of money lent or obligations incurred by them or by any other person at the request of or for the benefit of a Group Undertaking;

104.1.2 relating to the giving of any security, guarantee or indemnity in respect of a debt or obligation of a Group Undertaking for which they themselves has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security;

- 104.1.3 relating to, or in the context of, an offer of securities by a Group Undertaking in which they are or may be entitled to participate as a holder of securities or in the underwriting or sub-underwriting of which they is to participate;
- 104.1.4 relating to another company in which they do not have to their knowledge an interest (as that term is used in Part 22 of the 2006 Act) in shares representing one per cent. or more of either any class of the equity share capital, or the voting rights in, such company;
- 104.1.5 relating to an arrangement for the benefit of employees of any Group Undertaking which does not award them any privilege or benefit not generally awarded to the employees to whom such arrangement relates;
- 104.1.6 concerning insurance which the Company proposes to maintain or purchase for the benefit of Directors or for the benefit of persons including any Director; or
- 104.1.7 any proposal for the Company (1) to provide them with an indemnity permitted by the statutes, (2) to provide them with funds in circumstances permitted by the statutes to meet their defence expenditure in respect of any civil or criminal proceedings or regulatory investigation or other regulatory action or in connection with any application for any category of relief permitted by the statutes, or (3) to do anything to enable them to avoid incurring any such expenditure.

## 105 **DIRECTOR'S INTEREST IN OWN APPOINTMENT**

A Director shall not vote or be counted in the quorum on any resolution of the Board concerning their own appointment (including fixing or varying or recommending the terms of their appointment or its termination) as a holder of any office or place of profit with the Company or any body corporate in which the Company is interested. Where proposals are under consideration concerning the appointment (including fixing or varying or recommending the terms of appointment or the termination thereof) of two or more Directors to offices or places of profits with the Company or any body corporate in which the Company is interested, such proposals may be divided and a separate resolution considered in relation to each Director. In such case each of the Directors concerned (if not debarred from voting under these Articles) shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning their own appointment.

## 106 **CONCLUSIVE RULINGS ON DIRECTORS' INTERESTS**

- 106.1 If any question arises at any meeting as to the materiality of the interest of a Director (other than the chair) or as to the entitlement of any Director (other than the chair) to vote or be counted in the quorum and such question is not resolved by their voluntarily agreeing to abstain from voting or being counted in the quorum, such question shall be referred to the chair. The chair's ruling in relation to such Director shall be conclusive and binding on all concerned (except in a case where the nature or extent of the interest of such Director, as known to them, has not been adequately disclosed to the meeting).

- 106.2 If any question arises at any meeting as to the materiality of the interest of the chair or as to their entitlement to vote or be counted in the quorum and such question is not resolved by their voluntarily agreeing to abstain from voting or being counted in the quorum, such question shall be decided by a resolution of the Directors or committee members present at the meeting (excluding the chair), whose majority vote shall be conclusive and binding on all concerned (except in a case where the nature or extent of the interest of such chair, as known to them, has not been adequately disclosed to the meeting).

## **SECRETARY**

### **107 SECRETARY**

- 107.1 Subject to the statutes, the Board shall appoint a Secretary and may appoint one or more persons to be a joint, deputy or assistant Secretary on such terms and conditions as it thinks fit. The Board may remove a person appointed pursuant to this Article from office and appoint another or others in their place.
- 107.2 Any provision of the statutes or of these Articles requiring or authorising a thing to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as a Director and as, or in the place of, the Secretary, but subject to this, anything required or authorised by the statutes or these Articles to be done by or to the Secretary may, if the office is vacant or there is for any other reason no Secretary capable of acting, be done by or to any assistant or deputy Secretary or, if there is no assistant or deputy Secretary capable of acting, by or to a Director authorised generally or specially for that purpose by the Board.

## **SEALS AND DOCUMENT AUTHENTICATION**

### **108 APPLICATION OF SEAL**

- 108.1 Any Seal may be used only by the authority of the Board or of a committee of the Board. The Board may decide who is to sign an instrument to which the Seal is to be affixed either generally or in relation to a particular instrument or type of instrument. The Board may decide, either generally or in a particular case, that a signature may be dispensed with or affixed by mechanical, electronic or other means. Unless otherwise decided by the Board:
- 108.1.1 share certificates and certificates issued in respect of debentures or other securities to which the Seal is affixed (subject to the provisions of the relevant instrument) need not be signed or, if signed, a signature may be applied by mechanical, electronic or other means or may be printed; and
- 108.1.2 every other instrument to which the Seal is affixed shall be signed by one Director and by the Secretary or by two Directors or by a Director in the presence of a witness who attests the signature.

108.2 Every share certificate or share warrant shall be issued either under the Seal (which may be affixed to it or printed on by mechanical, electronic or other means) or in such other manner as the Board, having regard to the terms of issue and the statutes may authorise. All references in these Articles to the Seal shall be construed in relation to share certificates and share warrants accordingly.

109 **DIRECTORS OR SECRETARY TO AUTHENTICATE OR CERTIFY**

A Director or the Secretary or any person appointed by the Board for the purpose may authenticate any documents affecting the constitution of the Company and any resolutions passed by the Company or holders of a class of shares or the Board or any committee of the Board and any books, records, documents and accounts relating to the business of the Company, and may certify copies of or extracts from any such items as true copies or extracts.

**DIVIDENDS AND OTHER PAYMENTS**

110 **DECLARATION**

Subject to the statutes and these Articles, the Company may by ordinary resolution declare a dividend to be paid to members according to their respective rights and interests in the profits of the Company. No such dividend shall exceed the amount recommended by the Board.

111 **INTERIM DIVIDENDS**

Subject to the statutes, the Board may pay such interim dividends (including any dividend payable at a fixed rate) as appears to the Board to be justified by the profits of the Company available for distribution. If at any time the share capital is divided into different classes, the Board may pay such interim dividends on shares which rank after shares conferring preferential rights with regard to dividend as well as on shares conferring preferential rights, unless at the time of payment any preferential dividend is in arrears. If the Board acts in good faith, no Director shall incur any liability to the holders of shares conferring preferential rights for any loss that they may suffer by the lawful payment of an interim dividend on any shares ranking after those with preferential rights.

112 **ENTITLEMENT TO DIVIDENDS**

112.1 Except as otherwise provided by these Articles or the rights attached to shares:

112.1.1 a dividend shall be declared and paid according to the amounts paid up (otherwise than in advance of calls) on the nominal value of the shares on which the dividend is paid; and

112.1.2 dividends shall be apportioned and paid proportionately to the amounts paid up on the nominal value of the shares during any portion or portions of the period in respect of which the dividend is paid, but if any share is issued on terms that

it shall rank for dividend as from a particular date, it shall rank for dividend accordingly.

112.2 Except as otherwise provided by these Articles or the rights attached to shares:

112.2.1 a dividend may be paid in any currency or currencies decided by the Board; and

112.2.2 the Company may agree with a member that any dividend declared or which may become due in one currency will be paid to the member in another currency,

for which purpose the Board may use any relevant exchange rate current at any time as the Board may select for the purpose of calculating the amount of any member's entitlement to the dividend.

### 113 **PAYMENT METHODS**

113.1 The Company may pay a dividend, interest or other amount payable in respect of a share in cash or by cheque, warrant or money order (to a bank or building society account as specified by the distribution recipient) or by a bank or other funds transfer system or in accordance with any authority given to the Company to do so (whether in writing, through the Uncertificated System or otherwise) by or on behalf of the member in a form or in a manner satisfactory to the Board. Any joint holder or other person jointly entitled to a share may give an effective receipt for a dividend, interest or other amount paid in respect of such share.

113.2 The Company may send a cheque, warrant or money order by post:

113.2.1 in the case of a sole holder, to their registered address;

113.2.2 in the case of joint holders, to the registered address of the person whose name stands first in the Register of Members;

113.2.3 in the case of a person or persons entitled by transmission to a share, as if it were a notice given in accordance with the Article headed **"Notice to persons entitled by transmission"**; or

113.2.4 in any case, to a person and address that the person or persons entitled to the payment may in writing direct.

113.3 Every cheque, warrant or money order shall be sent at the risk of the person or persons entitled to the payment and shall be made payable to the order of the person or persons entitled or to such other person or persons as the person or persons entitled may in writing direct. The payment of the cheque, warrant or money order shall be a good discharge to the Company. If payment is made by a bank or other funds transfer or through the Uncertificated System, the Company shall not be responsible for amounts lost or delayed

in the course of transfer. If payment is made by or on behalf of the Company through the Uncertificated System:

113.3.1 the Company shall not be responsible for any default in accounting for such payment to the member or other person entitled to such payment by a bank or other financial intermediary of which the member or other person is a customer for settlement purposes in connection with the Uncertificated System; and

113.3.2 the making of such payment in accordance with any relevant authority referred to in paragraph 113.1 above shall be a good discharge to the Company.

113.4 The Board may:

113.4.1 lay down procedures for making any payments in respect of uncertificated shares through the Uncertificated System;

113.4.2 allow any holder of uncertificated shares to elect to receive or not to receive any such payment through the Uncertificated System; and

113.4.3 lay down procedures to enable any such holder to make, vary or revoke any such election.

113.5 The Board may withhold payment of a dividend (or part of a dividend) payable to a person entitled by transmission to a share until they have provided any evidence of their entitlement that the Board may reasonably require.

#### 114 **DEDUCTIONS**

The Board may deduct from any dividend or other amounts payable to any person in respect of a share all such sums as may be due from them to the Company on account of calls or otherwise in relation to any shares.

#### 115 **INTEREST**

No dividend or other money payable in respect of a share shall bear interest against the Company, unless otherwise provided by the rights attached to the share.

#### 116 **UNCLAIMED DIVIDENDS**

All unclaimed dividends or other monies payable by the Company in respect of a share may be invested or otherwise made use of by the Board for the benefit of the Company until claimed. The payment of any unclaimed dividend or other amount payable by the Company in respect of a share into a separate account shall not constitute the Company a trustee in respect of it. Any dividend unclaimed after a period of twelve (12) years from the date the dividend became due for payment shall be forfeited and shall revert to the Company.

## 117 **UNCASHED DIVIDENDS**

If, in respect of a dividend or other amount payable in respect of a share:

- 117.1 a cheque, warrant or money order is returned undelivered or left uncashed; or
- 117.2 a transfer made by or through a bank transfer system and/or other funds transfer system(s) (including the Uncertificated System) fails or is not accepted

on two consecutive occasions, or one occasion and reasonable enquiries have failed to establish another address or account of the person entitled to the payment, the Company shall not be obliged to send or transfer a dividend or other amount payable in respect of such share to such person they and shall treat the payment as an unclaimed dividend to which the provisions of Article 116 shall apply.

## 118 **DIVIDENDS IN KIND**

A general meeting declaring a dividend may, on the recommendation of the Board, direct that it shall be satisfied wholly or partly by the distribution of assets (including paid up shares or securities of any other body corporate). Where any difficulty arises concerning such distribution, the Board may settle it as it thinks fit. In particular, the Board may:

- 118.1.1 issue fractional certificates or ignore fractions;
- 118.1.2 fix the value for distribution of any assets, and may determine that cash shall be paid to any member on the footing of the value so fixed in order to adjust the rights of members; and
- 118.1.3 vest any assets in trustees on trust for the persons entitled to the dividend.

## 119 **SCRIP DIVIDENDS**

- 119.1 The Board may, with the prior authority of an ordinary resolution and subject to such terms and conditions as the Board may determine, offer any holders of Ordinary Shares the right to elect to receive Ordinary Shares, credited as fully paid, instead of cash in respect of the whole (or some part, to be determined by the Board) of any dividend specified by the ordinary resolution, subject to the statutes and to the provisions of this Article.
- 119.2 An ordinary resolution under paragraph 119.1 of this Article may specify a particular dividend (whether or not declared), or may specify all or any dividends declared within a specified period, but such period may not end later than the beginning of the fifth annual general meeting next following the date of the meeting at which the ordinary resolution is passed.
- 119.3 The entitlement of each holder of Ordinary Shares to new Ordinary Shares shall be such that the relevant value of the entitlement shall be the cash amount, disregarding any tax credit, (or as near to such cash amount as the Board considers appropriate) that such holder would have

received by way of dividend. For this purpose, “**relevant value**” shall be calculated by reference to the average of the middle market quotations for the Ordinary Shares on the London Stock Exchange as derived from the London Stock Exchange Daily Official List or such other source as the Board considers appropriate for the day on which the Ordinary Shares are first quoted “ex” the relevant dividend and the four subsequent dealing days, or in such other manner as may be determined by or in accordance with the ordinary resolution. A written confirmation or report by the Auditors as to the amount of the relevant value in respect of any dividend shall be conclusive evidence of that amount.

- 119.4 The Board may make any provision it considers appropriate in relation to an allotment made or to be made pursuant to this Article (whether before or after the passing of the ordinary resolution referred to in paragraph 119.1 of this Article), including:
- 119.4.1 the giving of notice to holders of the right of election offered to them;
  - 119.4.2 the provision of forms of election and/or a facility and a procedure for making elections through the Uncertificated System (whether in respect of a particular dividend or dividends generally);
  - 119.4.3 determination of the procedure for making and revoking elections;
  - 119.4.4 the place at which, and the latest time by which, forms of election and other relevant documents must be received in order to be effective;
  - 119.4.5 the disregarding or rounding up or down or carrying forward of fractional entitlements, in whole or in part, or the accrual of the benefit of fractional entitlements to the Company (rather than to the holders concerned); and
  - 119.4.6 the exclusion from any offer of any holders of Ordinary Shares where the Board considers that the making of the offer to them would or might involve the contravention of any law or that for any other reason the offer should not be made to them.
- 119.5 The dividend (or that part of the dividend in respect of which a right of election has been offered) shall not be payable on Ordinary Shares in respect of which a valid election has been made (“**the elected Ordinary Shares**”). Instead additional Ordinary Shares shall be allotted to the holders of the elected Ordinary Shares on the basis of allotment determined under this Article. For such purpose, the Board may capitalise out of any amount for the time being standing to the credit of any reserve or fund of the Company (including any share premium account, capital redemption reserve and profit and loss account), whether or not available for distribution, a sum equal to the aggregate nominal amount of the additional Ordinary Shares to be allotted on that basis and apply it in paying up in full the appropriate number of new Ordinary Shares for allotment and distribution to the holders of the elected Ordinary Shares on that basis.

119.6 The additional Ordinary Shares when allotted shall rank pari passu in all respects with the fully paid Ordinary Shares in issue on the record date for the dividend in respect of which the right of election has been offered, except that they will not rank for any dividend or other entitlement which has been declared, paid or made by reference to such record date.

119.7 The Board may:

119.7.1 do all acts and things which it considers necessary or expedient to give effect to any such capitalisation, and may authorise any person to enter on behalf of all the members interested into an agreement with the Company providing for such capitalisation and incidental matters and any agreement so made shall be binding on all concerned;

119.7.2 establish and vary a procedure for election mandates in respect of future rights of election and determine that every duly effected election in respect of any Ordinary Shares shall be binding on every successor in title to the holder of such shares; and

119.7.3 terminate, suspend or amend any offer of the right to elect to receive Ordinary Shares in lieu of any cash dividend at any time and generally implement any scheme in relation to any such offer on such terms and conditions as the Board may determine and take such other action as the Board may deem necessary or desirable in respect of any such scheme.

## 120 **RESERVES**

The Board may set aside out of the profits of the Company and carry to reserve such sums as it thinks fit. Such sums standing to reserve may be applied, at the Board's discretion, for any purpose to which the profits of the Company may properly be applied and, pending such application, may either be employed in the business of the Company or be invested in such investments as the Board thinks fit. The Board may divide the reserve into such special funds as it thinks fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as it thinks fit. The Board may also carry forward any profits without placing them to reserve.

## 121 **CAPITALISATION OF PROFITS AND RESERVES**

The Board may, with the authority of an ordinary resolution:

121.1 subject to this Article, resolve to capitalise any undivided profits of the Company not required for paying any preferential dividend (whether or not available for distribution) or any sum standing to the credit of any reserve or fund of the Company (including any share premium account, capital redemption reserve and profit and loss account), whether or not available for distribution;

121.2 appropriate the sum resolved to be capitalised to the holders of Ordinary Shares in proportion to the nominal amounts of the shares (whether or not fully paid) held by them respectively

which would entitle them to participate in a distribution of that sum if the shares were fully paid and the sum were then distributable and were distributed by way of dividend and apply such sum on their behalf either in or towards paying up the amounts, if any, unpaid on any shares held by them respectively, or in paying up in full new shares or debentures of the Company of a nominal amount equal to that sum, and allot the shares or debentures credited as fully paid to those holders of Ordinary Shares or as the Board may direct, in those proportions, or partly in one way and partly in the other, but so that the share premium account, the capital redemption reserve and any profits or reserves which are not available for distribution may, for the purposes of this Article, only be applied in paying up new shares to be allotted to members credited as fully paid;

- 121.3 resolve that any shares so allotted to any member in respect of a holding by them of any partly paid shares shall, so long as such shares remain partly paid, rank for dividend only to the extent that such partly paid shares rank for dividend;
  - 121.4 make such provision by the issue of fractional certificates (or by ignoring fractions or by accruing the benefit of fractions to the Company rather than to the holders concerned) or by payment in cash or otherwise as the Board may determine in the case of shares or debentures becoming distributable in fractions ;
  - 121.5 authorise any person to enter on behalf of all the members concerned into an agreement with the Company providing for either:
    - 121.5.1 the allotment to them respectively, credited as fully paid, of any further shares or debentures to which they are entitled on such capitalisation; or
    - 121.5.2 the payment up by the Company on behalf of such members by the application thereto of their respective proportions of the reserves or profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing shares,
- and so that any such agreement shall be binding on all such members; and
- 121.5.3 generally do all acts and things required to give effect to such resolution.

## **RECORD DATES**

### **122 BOARD TO FIX DATE**

Notwithstanding any other provision of these Articles but without prejudice to the rights attached to any shares and subject to the statutes and paragraph 125.6 of the Article headed “**Communications to and from members**”, the Board may fix any date (“the record date”) as the date at the close of business (or such other time as the Board may decide) on which persons registered as the holders of shares or other securities shall be entitled to receipt of any dividend, distribution, interest, allotment, issue, notice, information, document or circular. A record date may be on or at any time before any date on which such item is paid, made, given

or served or (in the case of any dividend, distribution, interest, allotment or issue) on or at any time before or after any date on which such item is recommended, resolved, declared or announced.

## **ACCOUNTS**

### **123 ACCESS TO ACCOUNTING RECORDS**

No member (other than an officer of the Company) shall have any right of inspecting any accounting record or other document of the Company unless they is authorised to do so by statute, by order of the court, by the Board or by an ordinary resolution.

## **COMMUNICATIONS**

### **124 NOTICES TO BE IN WRITING**

Any notice to be given to or by any person pursuant to these Articles shall be in writing, unless otherwise provided elsewhere in these Articles, except that a notice calling a meeting of the Board or a committee of the Board need not be in writing.

### **125 COMMUNICATIONS TO AND FROM MEMBERS**

125.1 Subject to the statutes and unless otherwise provided for in these Articles, the Company may send or supply any document or information that is required or authorised to be sent or supplied by it to a member or any other person by the statutes or pursuant to these Articles or to any other rules or regulations to which the Company may be subject in such form and by such means, including by electronic means and/or by making it available on a website or otherwise, as the Company may determine. The Company Communication Provisions shall be deemed to apply, to the extent relevant, to the sending or supply of any such document or information that is required or authorised to be sent or supplied pursuant to these Articles or any such rules or regulations. At any time the Company may choose at its sole discretion to send any document or information in hard copy form alone to some or all members.

125.2 Subject to the statutes and unless otherwise provided for in these Articles, any document or information which is to be sent or supplied to the Company by or on behalf of any member or any person entitled by transmission to a share shall be sent or supplied in such form(s) and by such means as the Company may determine, provided that:

125.2.1 such form(s) and means are permitted by the statutes, if applicable, for the purpose of sending or supplying a document or information of the type concerned pursuant to the Company Communication Provisions; and

125.2.2 any applicable condition or limitation specified in the statutes (including as to the address to which the document or information may be sent) is satisfied, unless otherwise permitted by the Board.

- 125.3 Where these Articles require a notice or other document to be signed or authenticated by a member or other person then any notice or other document sent or supplied in electronic form is sufficiently authenticated in any manner authorised by the Company Communications Provisions or in such other manner as may be approved by the Board. The Board may designate mechanisms for validating any such notice or other document, and any such notice or other document not so validated by use of such mechanisms shall be deemed not to have been received by the Company. Where a document or information is sent or supplied to the Company by one person on behalf of another, the Company may require such evidence of the farmer's authority to act on the latter's behalf as the Directors decide is reasonable.
- 125.4 Anything which would need (but for this Article) to be agreed or specified by the joint holders of a share with regard to any notice, document or information to be sent or supplied by the Company shall be taken for all purposes to be agreed or specified by all the joint holders where it has been agreed or specified by the joint holder whose name stands first in the Register of Members in respect of the share. Any notice, document or information which is authorised or required to be sent or supplied to joint holders of a share may be sent or supplied to the joint holder whose name stands first in the Register of Members in respect of the share, to the exclusion of the other joint holders. For the purposes of this Article, a joint holder having no registered address in the United Kingdom and not having supplied a service address within the United Kingdom may, subject to the statutes, be disregarded. This Article shall have effect in place of the Company Communications Provisions regarding joint holders of shares.
- 125.5 Subject to the statutes, the Company shall not be required to send notices, documents or information to a member who (having no registered address within the United Kingdom) has not supplied to the Company a service address within the United Kingdom.
- 125.6 Any notice or other document to be given to a member may be given by reference to the Register of Members as it stands at any time within the period of twenty-one (21) days before the day that the notice is given or (where and as applicable) within any other period permitted by the statutes. No change in the Register of Members after that time shall invalidate the giving of such notice or document or require the Company to give such item to any other person.
- 125.7 Subject to the statutes, the Company shall not be required to send notices, documents or information to a member where the Company does not hold a current address (as defined in section 423(3) of the Companies Act 2006) for that member.

## 126 **NOTICES BY ADVERTISEMENT**

- 126.1 If by reason of the suspension or curtailment of postal services in the United Kingdom or otherwise the Company is unable to give notice by post in hard copy form of a general meeting then such notice shall be deemed to have been given to all members entitled to receive such notice in hard copy form if it is advertised in at least two leading daily newspapers widely circulated in the country in which the Company's registered office is located. Such notice shall be deemed to have been duly served on all members entitled to receive notice of such

general meeting at noon on the day on which the first of such advertisement appears. In any such case the Company shall:

126.1.1 make such notice available on an appropriate website of the Company from the date of such advertisement until the conclusion of the meeting; and

126.1.2 send confirmatory copies of the notice to those members by post in hard copy form if, at least seven days before the meeting, the posting of notices to addresses throughout the United Kingdom again becomes practicable.

126.2 Any notice (other than a notice of general meeting) to be given by the Company to the members or any of them, and not otherwise provided for by these Articles, shall be sufficiently given if given by advertisement in at least one leading daily newspaper widely circulated in the country in which the Company's registered office is located. Any notice given by advertisement in accordance with this Article shall be deemed to have been served at noon on the day on which the advertisement first appears.

## 127 **EVIDENCE OF RECEIPT**

127.1 Any notice, document or information (including a share certificate) which is sent or supplied by the Company:

127.1.1 in hard copy form, or in electronic form but to be delivered other than by electronic means, and which is sent by pre-paid post and properly addressed shall be deemed to have been received by the intended recipient at the expiration of twenty-four (24) hours (or, where first class mail is not used, forty-eight (48) hours) after the time it was posted, and in proving such receipt it shall be sufficient to show that such notice, document or information was properly addressed, pre-paid and posted;

127.1.2 by electronic means shall be deemed to have been received by the intended recipient twenty-four (24) hours after it was transmitted, and in proving such receipt it shall be sufficient to show that such notice, document or information was properly addressed; and

127.1.3 by means of a website shall be deemed to have been received when the material was first made available on the website or, if later, when the recipient received (or is deemed to have received) notice of the fact that the material was available on the website.

127.2 Any accidental failure on the part of the Company to send, or the non-receipt by any person entitled to, any notice of or other document or information relating to any meeting or other proceeding shall not invalidate the relevant meeting or proceeding. This Article shall have effect in place of the Company Communications Provisions relating to deemed delivery of notices, documents or information.

- 127.3 For the purposes of calculating the time when any notice, document or information sent or supplied by the Company is deemed to have been received by the intended recipient for the purposes of these Articles (regardless of whether the period is expressed in hours or days) full account shall be taken of any day, and any part of a day, that is not a working day. This Article shall have effect in place of the Company Communications Provisions regarding the calculation of the time when any such notice, document or information is deemed to have been received by the intended recipient.

## 128 **NOTICE BINDING ON TRANSFEREES**

A person who becomes entitled to a share by transfer, transmission or otherwise shall be bound by any notice in respect of that share (other than a section 793 notice) which, before their name is entered in the Register of Members, has been given to the person from whom they derives their title.

## 129 **NOTICE TO PERSONS ENTITLED BY TRANSMISSION**

- 129.1 Any notice, document or other information may be given by the Company to any person who claims to be entitled by transmission to a share in consequence of the death or bankruptcy of a member or otherwise by sending or delivering such notice, document or information in any manner authorised by these Articles, addressed to that person by name, or by the title of representative of the deceased or trustee of the bankrupt or by any similar or equivalent description, provided that such person who claims to be entitled to a share shall first supply to the Company:

129.1.1 such evidence as the Board may reasonably require to show their title to the share; and

129.1.2 a service address in the United Kingdom.

- 129.2 Any notice, document or information so sent or supplied shall for all purposes be deemed to be duly sent or supplied to all persons interested (whether jointly with or as claiming through or under them) in the share.

- 129.3 Until the information required under paragraph 129.1 of this Article has been so supplied, any notice, document or other information may be given in any manner in which it might have been given if the event giving rise to the transmission had not occurred. The giving of notice in accordance with this Article shall be sufficient notice to all other persons interested in the share. This Article shall have effect in place of the Company Communication Provisions regarding the death or bankruptcy of a holder of shares in the Company.

## **DOCUMENT DESTRUCTION**

## 130 **DOCUMENT DESTRUCTION**

- 130.1 The Company may destroy:

- 130.1.1 any share certificate or other evidence of title to shares which has been cancelled at any time after one year from the date of such cancellation;
- 130.1.2 any mandate for the payment of dividends or other amounts or any variation or cancellation of such mandate or any other instruction concerning the payment of monies or any notification of change of name or address at any time after two years from the date such mandate, variation, cancellation or notification was recorded by the Company;
- 130.1.3 any instrument or other evidence of transfer of shares or renunciation of an allotment of shares which has been registered at any time after six years from the date of registration; and
- 130.1.4 any other document on the basis of which an entry in the Register is made at any time after six years from the date an entry in the Register was first made in respect of it,

and the Company may destroy any such document earlier than the relevant date, provided that a permanent record of the document is made (on microfilm, computer disc or otherwise) which is not destroyed before that date.

- 130.2 It shall be conclusively presumed in favour of the Company that every entry in the Register of Members purporting to have been made on the basis of a document destroyed in accordance with this Article was duly and properly made, that every instrument of transfer so destroyed was duly registered, that every share certificate so destroyed was valid and was duly cancelled and that every other document so destroyed was valid and effective in accordance with the recorded particulars in the records of the Company, provided that:

- 130.2.1 this Article shall apply only to the destruction of a document in good faith and without express notice of any claim (regardless of the parties to it) to which the document might be relevant;
- 130.2.2 nothing in this Article imposes on the Company any liability in respect of the destruction of any such document otherwise than as provided for in this Article which would not attach to the Company in the absence of this Article; and
- 130.2.3 references in this Article to the destruction of any document include references to the disposal of it in any manner.

## **NOMINATION NOTICES**

### **131 NOMINATION NOTICES**

- 131.1 This Article 131 applies where a member nominates another person to enjoy Information Rights pursuant to section 146 of the 2006 Act.

- 131.2 The Company may prescribe the form and content of Nomination Notices. Unless the Company prescribes otherwise, a Nomination Notice shall:

  - 131.2.2 confirm that the member holds shares in the Company on behalf of the person nominated pursuant to the Nomination Notice;
  - 131.2.3 specify whether the person nominated wishes to receive Shareholder Information in hard copy form, in electronic form or by website communication and include any further information which the Company will need in order to use the means of communication specified;

  - 131.2.5 specify the date from which it is to take effect;
  - 131.2.6 specify the date on which it is to cease to have effect, or that it is to have effect until further notice or until the member concerned transfers or ceases to hold any shares in the Company; and
  - 131.2.7 be executed by or on behalf of the member and the person nominated.
- 131.3 Subject to these Articles, the Company shall give effect to any Nomination Notice received by it in accordance with these Articles but in accordance with Nomination of persons to enjoy Information Rights section 146(5) of the Act shall not be obliged to act on a nomination purporting to relate to certain Information Rights only.
- 131.4 A nomination made by Nomination Notice shall cease to have effect:
- 131.4.1 in accordance with its terms; or
  - 131.4.2 in accordance with sections 148(3), 148(5) or 148(7) of the Act.
- 131.5 If the Company receives a document which purports to be a Nomination Notice but which does not contain the required information or which is not given in the form prescribed by the Company, the Company shall give effect to it in accordance with section 147(5) of the Act to the extent that it is able to do so and shall notify the member that it is incomplete (and in what respect it is incomplete) and that the Company cannot give full effect to it in its present form.
- 131.6 The Company shall be entitled to treat a Nomination Notice as surviving a subdivision, consolidation or reclassification of the Company's share capital.
- 131.7 The Company shall keep a record of all Nomination Notices which are in force.

- 131.8 The Company shall provide any member, on request and without charge, with a copy of the records of Nomination Notices given by that member in so far as it is able to do so.
- 131.9 The Company may fix a record date for the enjoyment of Information Rights or for the circulation of Shareholder Information to persons nominated by Nomination Notices.
- 131.10 Anything to be carried out by the Company in this Articles 228(f) and 228(g) may instead be carried out by the Company through its agents.

## **WINDING UP**

### **132 DIVISION OF ASSETS**

- 132.1 On a winding up of the Company and subject to the statutes, the Company's assets available for distribution shall be divided among the members in proportion to the nominal amounts of capital paid up or credited as paid up on the shares held by them, subject to the terms of issue of or rights attached to any shares.
- 132.2 On a winding up of the Company (whether voluntary, under supervision or by the Court) the liquidator may, on obtaining any sanction required by law, divide among the members in kind the whole or any part of the assets of the Company, whether or not the assets consist of property of one kind or of different kinds. For this purpose the liquidator may set the value they deem fair on a class or classes of property, and may determine on the basis of such valuation and in accordance with the then existing rights of members how the division is to be carried out between members or classes of members. The liquidator may not, however, distribute to a member without their consent an asset to which there is attached a liability or potential liability for the owner.

## **INDEMNITY**

### **133 RIGHT TO INDEMNITY AND INSURANCE**

- 133.1 Subject to the statutes, the Company may:
- 133.1.1 indemnify any Director or any director of any associated company against any liability pursuant to any qualifying third party indemnity provision or any qualifying pension scheme indemnity provision, or on any other basis as is then lawful, in each case on such terms as the Board may decide: and
- 133.1.2 purchase and maintain for any Director or any director of any associated company insurance against any liability.

In this Article 133 “**qualifying third party indemnity provision**”, “**qualifying pension scheme provision**” and “**associated company**” have meanings that they have in Part 10 of the 2006 Act.
